SENTENCING

A MODERN INTRODUCTION

Thomas O'Malley

 **CLARUS**
PRESS

Sentencing

A Modern Introduction

A detailed and reflective account of key sentencing issues in Ireland.

Sentencing: A Modern Introduction is the first Irish textbook on sentencing, and it aims to fill a serious gap in legal education by providing a detailed and reflective account of key sentencing issues. These include the rationale for criminal punishment, distributive principles, the role of victims, sentencing children, techniques for structuring judicial discretion (including guidelines), sentencing options, collateral consequences of conviction and parole. A general theme of this book is that sentencing should be viewed as a process rather than an event.

Content Includes

- Sentencing in Context
- Process and Values
- Why Punish?
- Constitutional Constraints on Sentencing Powers
- Distributive Principles of Sentencing
- Pleading Guilty
- Collateral Consequences of Conviction
- Remedial Sentencing
- Youth and Disability
- Sentencing Particular Offences
- The Role of the Victim
- Sentencing Options
- Guidance and Guidelines
- Sentence Implementation

Who Should Buy This Book?

Written by the author of the leading practitioner-oriented treatise on Irish sentencing, this book is intended for undergraduate and postgraduate students in law and criminology, and students on professional practice courses. Practitioners will also find the in-depth discussion of key principles and policies particularly useful.

The Law of Child Abduction in Ireland

THE LAW OF CHILD ABDUCTION IN IRELAND

CORMAC CORRIGAN

Read more at claruspress.ie 

Author: Cormac Corrigan SC
ISBN: 9781917134071
Format: Hardback
Price: €175
Published: Spring 2024

About the Author

Cormac Corrigan is a Senior Counsel.

The first Irish text to comprehensively examine and guide the reader through this complex area of law.

Written by one of the leading legal practitioners in this area, *The Law of Child Abduction in Ireland* examines the law within the State applicable to the abduction of children from the care of those with legal responsibility for them, which includes parents, those with legal rights other than as parents, local authorities or other State agencies within the State or outside this State. There is detailed analysis of domestic law, the EU Regulations and the Luxembourg or European Convention, together with the case law interpreting the core provisions.

Content Includes

- Historical Perspective on Place of Children
- Domestic Law Outside Parameters of International Instruments
- Luxembourg or European Convention on Child Abduction
- Hague Convention on the Civil Aspects of International Child Abduction
- Abduction Fundamental Terms and Concepts
- Engaging the Abduction Convention Remedy
- Article 13 and Article 20, Asylum Seekers and Refugees
- Undertakings, Conditions, Ameliorative or Protective Measures
- Constitution, European Convention on Human Rights, Charter of Fundamental Rights of the European Union, UNCRC
- Practice and Procedure
- Enforcement of Orders, Stays on Return Orders, Appeals
- The Place of the Child in the Abduction Framework
- Abduction and the 1996 Hague Child Protection Convention

Who Should Buy This Book?

This book is written primarily for legal practitioners but will be an invaluable resource for persons involved in child welfare issues including state agencies, Gardaí, NGO's and academics.

AND PROCEDURE**

MATTHEW HOLMES

Read more at claruspress.ie 

Author: Matthew Holmes
ISBN: 9781917134101
Format: Hardback
Price: €149
Published: Spring 2025

About the Author

Matthew Holmes is a barrister and author of several legal text books.

This comprehensive work provides an in-depth analysis and comprehensive coverage of Article 40 of the Irish Constitution, which safeguards against unlawful detention.

Habeas Corpus: Practice and Procedure is a new practitioner text that delves into the intricacies of one of the most critical legal protections in Irish law—habeas corpus.

The author provides a thorough analysis of the historical evolution of the doctrine, Article 40 procedure and grounds for and defences against Article 40. It includes analysis of what constitutes detention, Article 40's interaction with other legal procedures and Article 40 applications in specialised areas.

Content Includes

- Introduction and History of Habeas Corpus
- Art 40 Procedure
- Detention
- Grounds for Article 40
- Defences to Article 40
- Article 40 and Other Proceedings
- Appeals and Case Stated
- Costs
- Art 40 in Specialist Areas
- Appendices

Who Should Buy This Book?

Habeas Corpus: Practice and Procedure provide invaluable insights for legal practitioners, academics and anyone interested in the preservation of civil liberties in Ireland.

Author: Val Corbett
ISBN: 9781917134132
Format: Paperback
Price: €49 (price subject to change)
Publishing: 2025

About the Author

Dr Val Corbett BCL, LLM, PhD, is the Head of Law at LawSchool.ie and lecturers in tort and employment law and is the author of several texts including co-author of Ireland's leading text on employment law, *Employment Law in Ireland*.

Tort Law

Cases and Key Principles

Designed for both students and practitioners, this indispensable resource bridges the gap between academic study and practical application.

Presented in a clear and concise manner, *Tort Law: Cases and Key Principles* provides straightforward explanations that will demystify complex concepts. Each chapter contains an overview of the relevant element of tort law under discussion, the key principles pertaining to that subject, the key cases distilled along with analysis and commentary.

Content Includes

- Negligence: The Duty of Care – General Principles
- Negligence: The Standard of Care
- Negligence: Causation of Foreseeable Damage
- Defences to Negligence
- Negligence: The Duty of Care – Public Authorities
- Negligence: The Duty of Care – Omissions and Acts of Third Parties
- Negligence: The Duty of Care – Pure Economic Loss
- Negligence: The Duty of Care – Nervous Shock
- Employers' Liability for Occupational Harm
- Professional Negligence
- Occupiers' Liability
- Liability for Defective Products
- Defamation
- Vicarious Liability
- Nuisance
- The Rule in *Rylands v Fletcher*
- Trespass to Land
- Intentional Torts
- Passing Off
- Damages
- Limitation of Actions

Who Should Buy This Book?

Tort Law: Cases and Key Principles is an invaluable resource for all undergraduate and postgraduate students of tort law. This book will also be an excellent resource for legal practitioners requiring a reliable and up-to-date reference on tort law developments in Ireland and beyond.

Money Laundering in Ireland

Context, History and the Law

Steven Meighan

 CLARUS
PRESS

Read more at claruspress.ie 

Author: Steven Meighan
ISBN: 9781917134163
Format: Paperback
Price: €TBC
Publishing: 2025

About the Author

Dr Steven Meighan has extensive national and international experience in the investigation of money laundering and organised crime. He was part of the Financial Action Task Force (FATF) team that undertook Indonesia's membership evaluation, with responsibility for the evaluation of their money laundering investigation and asset recovery systems. He previously served as a United Nations peacekeeper in Cyprus. His work with Europol, Interpol, and the European Commission has taken him around the world working with numerous international law enforcement and government agencies. He is a member of An Garda Síochána, was called to the Irish Bar in 2015, and holds a PhD in Anti-money Laundering.

Money Laundering in Ireland

Context, History and the Law

This book provides the knowledge and tools you need to understand and combat financial crime in Ireland and beyond.

Money Laundering in Ireland: Context, History and the Law breaks down the development of money laundering laws and how they work in practice. This book explains how developments at the international, European, and Irish levels have evolved Irish law to tackle financial and organised crime.

Money Laundering in Ireland focuses on the three key aims of anti-money laundering (AML) efforts: protecting legitimate businesses and financial systems from being exploited by criminals, criminalising money laundering, and seizing the proceeds of crime. With clear explanations setting out the current legislation and case law, it shows how these goals shape laws and enforcement.

Content Includes

- Introduction
- The International Development of Money Laundering and Anti-money Laundering
- The History and Development of Irish Money Laundering Law
- The Money Laundering and Organised Crime Offences
- The Investigation of Money Laundering
- Asset Freezing, Seizure, and Confiscation
- Money Laundering Sentencing and Appeals
- Appendices

Who Should Buy This Book?

Money Laundering in Ireland: Context, History and the Law is a valuable resource for students, lawyers, police officers, and compliance professionals. Whether you're studying AML, enforcing the law, or working the AML/Compliance fields, this book provides the knowledge and tools you need to understand and combat financial crime in Ireland and beyond.

Sport and the Law

Second Edition

A comprehensive book documenting the interaction between law and sport.

Sport and the Law, Second Edition is an extensively expanded and updated since its first publication in 2010.

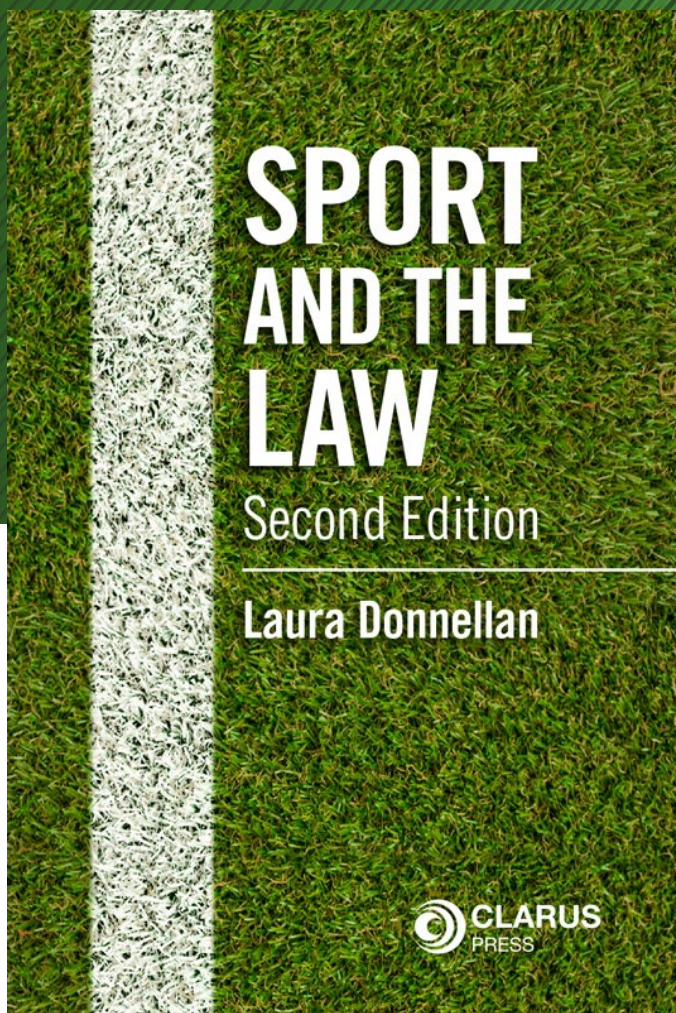

Sport and the Law, Second Edition documents the interaction between law and sport. In recent years there has been an increased involvement of the law as it applies to sport. The professionalisation and commercialisation of sport has brought with it a number of legal issues, from disputes arising from contracts or sponsorship deals; or doping allegations; or injuries sustained on the sports field.

Content Includes

- Historical Evolution of Sport: From Past to Present
- Sports' Governance
- Sports Law or Sport and the Law?
- Criminal Liability and Sport
- Civil Liability and Sport
- Drugs in Sport
- Athletes with Differences of Sex Development and Transgender Athletes
- The Law of Contract and Sport
- Employment Issues and Sport
- Commercial Issues in Sport
- Judicial Review and Sporting Bodies
- Alternative Dispute Resolution
- European Union Law and Sport
- Child Protection in Sport
- Animals in Sport

Who Should Buy This Book?

Sport and the Law, Second Edition is intended for use by sports governing bodies, sports persons, coaches, referees, lawyers, and those studying sports or law related courses. It is also a useful source for those who have an interest in the interaction between sport and the law.

Art and Cultural Heritage Law A Practical Guide

The first dedicated book to examine art and cultural heritage legal issues in Ireland

Art and cultural heritage law is a mixture of a wide range of disciplines, national and international laws, ethics, practicalities, codes of conduct, treaties and conventions. It addresses such diverse issues as copyright and moral rights of authors; data protection and freedom of information; title and provenance; crime and money laundering; ethics of acquisition; restitution, repatriation and deaccessions; Nazi-era spoliation and colonial looting; contracts and agreements; archaeology, monuments and metal-detecting; protected structures; shipwrecks; UNESCO and UNIDROIT conventions; tax and inheritance; donations and loans; import and export conditions and restrictions.

This book is written with two audiences in mind: gallery, library, archive and museum ("GLAM") professionals and legal practitioners. This book takes a pragmatic approach to explaining legal issues to GLAM professionals, and art and cultural heritage issues to legal practitioners.

Content Includes

- Introduction
- Copyright and Moral Rights
- Data Protection, Freedom of Information and Open Data
- Title
- Art Crime and Acquisitions
- Restitution, Repatriation and Deaccession
- Contracts
- Archaeology and Treasure
- Tax
- Exports and Loans

Who Should Buy This Book?

This book is written with the intention of giving legal guidance to professionals who operate in the galleries, libraries, archives and the museums sector.
